

GREAT SMOKY
MOUNTAINS
INSTITUTE AT
TREMONT

Dear Friends,

It is our pleasure to welcome you to the Spring Photography Workshop at Great Smoky Mountains Institute at Tremont. There is no better way to celebrate spring than by improving your nature photography skills in Great Smoky Mountains National Park. I am sure you will have a wonderful time learning new methods, discovering special places, and capturing photographically, and in your memory, the beauty of the mountains, forests, streams, and wildflowers.

Plan to arrive on **Friday** between 1:00pm and 5:00pm for check-in. This will give you plenty of time to settle into the dorm before dinner is served at 6:00pm. **Beginning at 3:00 there will be an optional session for those who arrive early.** After an exciting weekend the program **ends on Monday** following an optional late morning presentation.

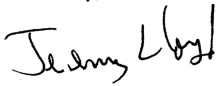

Laptop computers (installed with Adobe Photoshop CS6) are available for rent for \$50 (payable to GSMIT). Requests must be made no later than 2 weeks prior to the start of the workshop.

Be sure to read [Your Visit to Tremont](#) to learn important information you need to know about your visit. You'll also want to look over the [Tentative Schedule](#) where you can learn more about your instructors as well as other important details related to the workshop. If you have further questions, please feel free to contact us.

Please note that food (including prepackaged food) is not allowed in the dorm.

Once again, on behalf of all of us here in Walker Valley, welcome! We look forward to enjoying a lovely spring weekend with you.

Sincerely,

Jeremy Lloyd
Manager of Field Programs and Collegiate Studies
