***Wanda DeWaard** has shared Earth Kinship and Environmental Awareness with people of all ages and a wide variety of backgrounds in community groups, schools, colleges, camps, environmental centers and teacher conferences since 1974. She holds a Masters degree in Recreation and Environmental Education and has directed youth and family programs all over the United States as well as in Canada and Germany. Currently, Wanda works as an outdoor educator in the Great Smoky Mountains area. Anything and everything in the natural world brings out her enthusiasm and contagious sense of fun. She can be contacted at Earthkin@bellsouth.net.
