

# Table Chart

*Optional*

This form can be helpful in organizing mealtime seating charts and table captain assignments. For example, row #1 can be assigned as table captains for the first meal, row #2 for the second, etc. Elementary and middle school groups will be seated twelve to a table; high school groups will be seated ten to a table. Teachers and chaperones are seated at separate tables. This form does not need to be submitted to the Youth Programs Coordinator, but please be sure to submit the Meal and Lodging Count form for your group.
