

Summary of Financial Need

for schools participating in cooperative teaching*

Tremont is proud to offer a variety of ways for you to reduce the overall cost of your trip. Group cost can be reduced when teachers attend a qualifying workshop such as Teacher Escape Weekend. To see a list of qualifying workshops go to www.gsmit.org. This worksheet is an effort to recognize that there are individual students with particular financial need.

TIP! – To maximize your benefit and to ensure these donations continue to provide support in the future, do your best to:
